Hi there

I'm sure you are wondering what is happening with regard to the Magalies Adventure this weekend. It's been raining quite a bit in Magaliesburg, and it will continue to do so for the rest of the day.

After careful consideration, we have had to make a decision for your safety and the other riders around you. And of course, for the most important thing in your life, your bike!

Right now, it's muddy and slippery out there, and more rain is expected for parts of today and tomorrow. Sunday, however, is looking really good weather-wise at this stage.

As a result, we have had to make a few **significant changes**.

These are as follows:

- All rides will take place on Sunday – **there will be no riding on Saturday**.
- **Distances** on offer are as follows:
 - o 70km – a few route changes, but good to go

- o 50km and 40km – these have now been **combined into one ride**, and the distance will now be **43km**
- o 30km will go ahead unchanged

Start Times will now be as follows:

30km – 06:45

70km – 07:00

50km/40km – 07:15

I know there are some of you who entered to ride both days, either the 70km and 50km or the 30km and 40km. Unfortunately this is completely out of our control. Whilst we sadly cannot give you a refund, we will offer you a complimentary entry into our next event, The Bridgestone Route 66 45km ride.

The same will apply if you entered on the Saturday only and are unable to make it on the Sunday.

We will communicate more details on this to you next week, but please bear with us as we try to manage this challenge that the weather has thrown at us.

In closing, see you all on Sunday and thank you for your understanding.
